

Rules for attending Synagogue.

Please wear a face mask or vizor when arriving at the synagogue and keep it on while you are in the synagogue building – this is a requirement of our Risk Assessment.

Keep 2 metres apart from anyone not in your household or support bubble.

Your temperature will be taken using a remote thermometer. **If your temperature records as too high, you will not be allowed to enter the building.** We would suggest you then get yourself tested for COVID-19.

Please do not enter the building if you have a change or loss of taste or smell, if you have a new persistent cough or symptoms of a viral illness (e.g. muscle aches, shivering etc). We would suggest you then get yourself tested for COVID-19.

On entering, please use the hand sanitizer provided.

Follow the one-way system around the building.

You will have pre-allocated seats and will be shown where you are sitting.

To aid ventilation, **the synagogue doors and windows will remain open**, you might want to dress warmly.

There is to be **no singing** in the shul

If you are taking part in the service (e.g. reading a blessing, or reciting the blessings for the Torah reading) this should be done by standing up at your allocated seat, and not from the bimah

At the end of the service, please leave your prayer books **on your chair.**

Please use the hand sanitizer provided when you leave the synagogue

Do not congregate or mingle with other households.
